

Bible Authority
Lesson 4

1. What does the Bible say about following examples (Phil. 4:9; 1 Cor. 11:1)?

2. Do we follow Peter's example in Galatians 2:11-14? Explain.

3. Do Christians have the universal ability to assemble on the first day of the week (Heb. 10:24, 25; 1 Cor. 16:1, 2; Acts 20:7)?

4. Is Bible baptism uniformly by immersion? Cite Scripture.

5. Does there need to be an earthquake to convert a sinner (Acts 16:25-34)? Explain.

6. Does it violate the word of God to be baptized in a lake, pool, or large tub? What about being sprayed with a water hose? Cite Scripture.

7. Humor me (and forgive me). On the back (or somewhere else) write down how you would order your favorite pizza, hamburger, or sub sandwich.

8. Read Hebrew 7:12-14 and explain Moses saying nothing about the priesthood coming from Judah and why that matters as a principle of authority (i.e. silence of Scripture).
