

1 Corinthians

Chapter 13:1-13

Paul directs the Corinthians to the underlying issue of love; how vital it is to being a Christian. In this discussion he makes it clear that miraculous spiritual gifts were going away.

1. What happens when a person does “amazing” things, but lacks love (13:1-3)?
2. Choose 3-4 things “love” does and be ready to discuss the meaning and application (13:4-8).
3. What will fail and why is Paul telling the Corinthians it will happen (13:8-10)?
4. What is the part? What is the perfect (13:9, 10)?
5. Why will faith, hope, love abide and why is love the greatest (13:13)?
