

Acts 13

Read the chapter and write a brief summary.

Acts 13 records two main events involving Saul and Barnabas. One with a Roman Proconsul, the other with Jews and Gentiles in Antioch. Both are informative about teaching the gospel and the circumstances we will find.

Question and Discussion

1. Who were Bar-Jesus and Sergius Paulus and what was their relationship to one another (13:6-12)?
2. Why do you suppose Sergius Paulus wanted to hear the gospel and why would Elymas oppose it?
3. Why did Paul review promises kept by God (13:16-26)?
4. Why did many Jews oppose Paul and Barnabas (13:44-51)?
5. Be prepared to discuss 13:48 and the concept of being “appointed to eternal life.”
